The CHAR500 application portal lets charities in New York State file their annual financial disclosures online. If you are a first-time user of CHAR500, you need to create a new online account. Then you can log in to the portal and start the annual filing process.

NOTE: If you have already created an online account with Charities Bureau, either to do online registration or online annual filing, use the same account to login to CHAR500.

1.1 Create an account with the Charities Bureau

1. Navigate to charitiesfiling.ag.ny.gov and click 'Create account'.
2. Enter your first name, last name, phone number, and a valid email address in the corresponding fields (this email will be used for all further email communications).
3. Check the 'I'm not a robot' checkbox and click the 'Create Account' button. An account creation success message pops up.

The image shows two screenshots of the CHAR500 portal. The left screenshot is the 'Login' page with fields for 'User name' and 'Password', a 'Sign in' button, and a link for 'Create account or forgot password?'. A red arrow points to the 'Create account or forgot password?' link. The right screenshot is the 'Create Account' page with fields for 'First Name' and 'Last Name', and a 'Create Account' button. A red arrow points to the 'Create Account' button. Below the 'Create Account' button is a 'Registration Successful' message: 'Your account registration is successful. We have sent an activation link to your email, please click on it to activate your account. If you did not receive activation email please [click here](#).' A red arrow points to the 'click here' link.

1.2 Activate an Account and Login

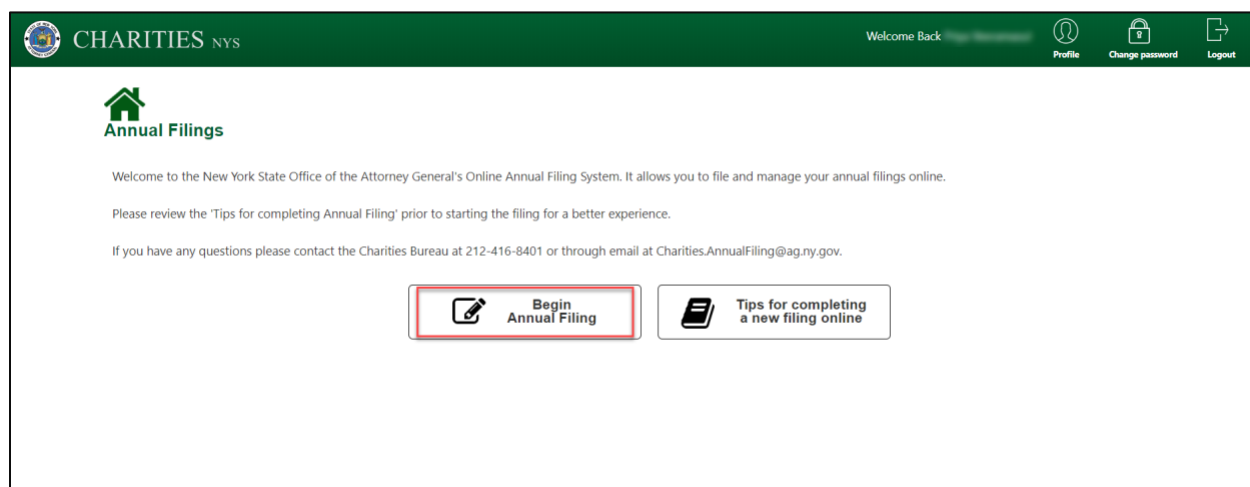

1. Go to the inbox of the email address provided during the account creation process (in step 2) and find the email from donotreplynysoag@ag.ny.gov with the subject line 'Create NYS Account Activation Link'. ***Please note that the link will expire if not activated within 5 minutes.***
2. If you did not find the email in your inbox, be sure to check the spam/junk folders.
3. Open the account activation email and click on the 'Password reset link'. You will then see an option to set up the new password.
4. Follow the password rules that you see as you set the password, re-enter it and then click 'Submit'. A 'Password set successful' screen pops up.
5. Click on the 'Click Here' link and login to the portal using the email address and password.

The image shows three screenshots of the CHAR500 portal. The left screenshot is an email from 'donotreplynysoag-UAT@ag.ny.gov' with the subject 'Create NYS Account Activation Link'. It contains a 'Password Reset Link' and a warning that the link will expire in 5 minutes. A red arrow points to the 'Password Reset Link'. The middle screenshot is the 'Set Password' page with fields for 'New password' and 'Confirm new password', and a 'Submit' button. A red arrow points to the 'Submit' button. The right screenshot is the 'Reset Password Successful' message: 'You have successfully reset your password. Please [click here](#) to login'. A red arrow points to the 'click here' link. 2 Annual Filing Portal

2.1 Home Page

If this is your first login to the annual filings portal, you will see two options after login. One starts the annual filing process, the other accesses a checklist of essentials you will need to complete the form, as well as this user guide. It is strongly recommended that you review both before you use this online filing option. Then click on the 'Begin Annual Filing' button to start the filing process for your organization.

NOTE: If you have already logged into the online annual filings portal before and started the annual filing process, then you see the filing information in a table (like below):

2.2 Enter New York Registration Number

If you are filing for 2018 or before, you must use our paper process. [Click here](#) to download the forms.

If you are trying to electronically file for the same year as a paper filing that you have already submitted to the Charities Bureau OR you are trying to address an incomplete notice received for your paper filing, please exit this portal immediately. Proceeding further will delay the processing of your filing.

If you want to start a new annual filing using the online system for 2019 or later filing years, (that is, you fall under **NEITHER** category mentioned above) you may proceed.

1. Click on 'Begin My Annual Filing' button in the Home page.
2. Enter the New York Registration Number of your organization. This is a 6-digit number that can be found on the organization's registration approval letter. If you don't have this letter, you may use the Charities Registry at www.charitiesnys.com to find it using the organization name.
3. Enter the organization's fiscal year beginning
4. Enter the organizations fiscal year ending and click search.

The screenshot shows the CHARITIES NYS website interface. At the top, there is a green header with the logo and navigation links: 'Welcome Back', 'Profile', 'Change password', and 'Logout'. Below the header, a message states: 'Filings for fiscal year 2018 or prior must be filed on paper. [Click here](#) to download the paper forms.' The main form area contains the following fields and instructions:

- New York Registration Number ***: Three input boxes for the digits 20, 70, and 10.
- Text: 'This 6 digit number can be found on the organization's registration approval letter. If you do not have this letter, use the [Charities Registry](#) on the website homepage to find it using the organization name.'
- Enter the Organization's Fiscal Year Beginning ***: A date picker set to 12/31/2018.
- Enter the Organization's Fiscal Year Ending ***: A date picker set to 12/31/2019.
- Buttons: 'Search' and 'Home'.

If there is a valid charity associated with the Registration Number you entered, you will see the screen below.

The screenshot shows the CHARITIES NYS website interface after a successful search. The header and navigation links are the same. The main form area now displays the following information:

- Text: 'Filings for fiscal year 2018 or prior must be filed on paper. [Click here](#) to download the paper forms.'
- New York Registration Number**: Three input boxes for the digits 20, 70, and 10.
- Text: 'This 6 digit number can be found on the organization's registration approval letter. If you do not have this letter, use the [Charities Registry](#) on the website homepage to find it using the organization name.'
- Filing Year**: A dropdown menu set to 2019.
- Text: 'Select the filing year based on the organization's Fiscal Year Beginning'
- Buttons: 'Search' and 'Home'.
- Text: 'Based on the registration number entered, we have found the below organization. If this is not the organization you want to file for, please enter the correct NY Registration Number and search again.'
- | Organization Name | New York Registration Number | Registration Category |
|---|------------------------------|-----------------------|
| AMERICAN RED CROSS AND AMERICAN SOCIETY INTERNATIONAL, INC. | 207010 | DUAL |
- Button: 'Begin Annual Filing'.

5. Click 'Begin Annual Filing' to start filling the online form.

If the Registration Number you entered is either incorrect or invalid, then please find the correct number and try again.

2.3 Fill Contact Information Section

Based on the New York Registration Number entered in the previous screen, some of the information in this section will be pre-filled on your behalf. Information fields with * are required for filing. After filling all the required information, click the ‘Save and Continue’ button to go to the next page.

2.4 Fill Third-Party Preparer’s Information

If you are a third-party preparer doing the annual filing on an organization’s behalf, answer ‘Yes’ to ‘Are you a Third-Party Preparer?’ and enter your contact and address information in the popup that appears below. If you are not a third party preparer, click on the ‘Saved and Continue’ button and go to the next page.

NOTE: You can access the definition of the underlined words in the portal by hovering your mouse over them.

2.5 Registration Category

This section verifies your organization’s registration category which was pre-filled in the contact section. Verification is done through a series of questions.

Hovering your mouse over an underlined word in the form provides more information on its meaning.

Depending on your answers to the four or five questions, if there is any change to the registration category you are notified by an onscreen message.

If your registration category has not changed then you do not see any message.

Click 'Save and Continue' after answering the questions to go to the next page.

2.6 Exemption Qualifications

Some organizations do not see this section. If you do not see it, go to section [2.7](#).

This section establishes whether your organization qualifies for an exemption statute. CHAR500 determines whether your organization qualifies using a series of optional questions. If you see this section and would like to see whether your organization can claim exemption, then answer 'Yes' to 'Would you like to check if your organization meets any exemption criteria?'. If you don't want to answer the exemption questions, then answer 'No' and click the 'Save and Continue' button to go to the next page.

2.7 Annual Exemption

This section verifies the organization's annual filing category. The questions are all yes/no.

The screenshot shows the 'Annual Exemption' section of the CHARITIES NYS portal. At the top, there is a navigation bar with the CHARITIES NYS logo and a 'Welcome Back' message. Below the navigation bar is a progress bar with icons for Contact Information, Third-party Preparer, Registration Category, Annual Exemption (current), Financial Information, Filing Information, Documents, Review, and Signatures. The main content area contains three questions with radio button options for 'Yes' and 'No':

- Were the total contributions from New York State, including residents, foundations, government agencies, etc. under \$25,000 during the fiscal year? *
- Did the organization use a professional fundraiser or fundraising counsel during the fiscal year? *
- Were the organization's gross receipts under \$25,000 and the market value of its assets under \$25,000 during the fiscal year? *

At the bottom of the section are three buttons: 'Back', 'Save and Exit', and 'Save and Continue'.

Based on your answers to these questions, CHAR500 determines the category under which you are required to file this year. Click 'Save and Continue' to go to the next page.

2.8 Financial Information

This section asks you to provide financial information to the state (this information is also disclosed on an organization's IRS form, unless it is a 990N filer). The questions you see in this section depends on your result in the annual exemption section.

1. Choose the IRS form your organization uses (990, 990EZ, 990PF, 990N or 1120, 1041). You will upload the same IRS form in the document upload page at the end of this section.

Below the question is a dropdown menu with the following options: IRS990, IRS990EZ, IRS990PF, IRS990N, 1120, and 1041. The 'IRS990' option is currently selected and highlighted in blue.

2. Enter the financial information. Depending on the IRS form you picked above, you will be asked to enter information such as total contributions, total revenue, total assets, net assets, and so on. You may refer to this IRS document when answering these questions. Also, there are instructions in the online form on where to find these numbers on your IRS document.

NOTE: Depending on the numbers you enter here, you may be asked to upload a Certified Public Accountant's audit report or financial review in the document upload section at the end of this form. You will be informed what to upload in the online form.
